

M & M Access Limited -Environmental Policy Statement

M & M Access Limited is devoted to minimising the impact of its activities on the environment. We believe that businesses are responsible for achieving good environmental practice and operating in a sustainable manner. Not only is this sound commercial sense for all; it is also a matter of delivering on our duty of care towards future generations. The key points of our environmental strategy are as follows:

- | | |
|--|---|
| <ul style="list-style-type: none">✓ Actively promote recycling both internally and amongst its customers and suppliers.✓ Source and promote a product range to minimise the environmental impact of both production and distribution.✓ Minimise our waste and then reuse or recycle as much of it as possible.✓ Use an accredited program to offset the greenhouse gas emissions generated by our activities.✓ Ensure that all our staff have a good understanding of how our business may affect the environment and what is expected of them to help minimise this impact.✓ M & M Access Limited will comply with all relevant environmental legislation.✓ Meet or exceed all the environmental legislation that relates to the Company. | <ul style="list-style-type: none">✓ M & M Access Limited accepts responsibility for the harmful effects its operations have on both the local and global environment and is committed to reducing them.✓ Assess the environmental impact of any new processes or products we intend to introduce in advance.✓ Operate and maintain company vehicles (where appropriate) with due regard to environmental issues as far as reasonably practical and encourage the use of alternative means of transport and car sharing as appropriate.✓ M & M Access Limited will measure its impact on the environment and set targets for ongoing improvement.✓ Minimise waste by evaluating operations and ensuring they are as efficient as possible. |
